Dear Sir,

Ref. Application no. A/82/12/ Land East of Roundstone Lane,Angmering.

I strongly object to this amendment to the above application. The reduction of 11 dwellings makes no difference to the reasons for the original objection.

There is not the infra structure to support the building of these houses in Roundstone Lane – inadequate roads, long stretches of narrow roads with no pavements and A259 is permanently clogged.

Employment prospects are poor meaning everyone has to travel away From the village for work and the schools are already overcrowded. Angmering is not a first choice for social housing and the numbers Quoted are excessive.

Yours faithful[redacted]

Howard Lilly.
