20 March 2014*

Dear Sir,

Barratts Planning Application A/82/12

With reference to the above planning application, I am writing to strongly object, and give my reasons below:-

- 1. The volume of traffic caused by the additional houses will make the already exceptionally busy roads deadlock. The Barratt's traffic representative, who did an involved survey of the roads around Angmering, said at the Meeting at the Village Hall in Angmering that there was no solution to the problem. He could not see how to improve the traffic flow and congestion*
- 2. Need:- There are around a dozen people from Angmering, I believe, that require Social Housing, so why do we need many more houses, particularly when there are a large number of houses which are not selling?*
- 3. Schooling:- There are already maximum numbers of pupils attending the local schools. No mention has been made about how to solve this problem.*
- 5. Angmering has already had a large-scale development at Bramley Green, with extra housing, and no doubt people coming from different areas. How are the police force going to cope?*
- 6. We have a problem getting appointments within our local doctors' surgery, and the local hospitals. The wonderful hospices we have are already overstretched. Has this been taken into consideration?*
- 7. Neighbourhood Plan:- With reference to the above planning application, it must be considered as part of the Neighbourhood Plan at the Arun and Parish level.*

Yours faithfully

Jean Ruffer.

Your views will be considered before the application is determined and I shall write to inform you of

any decision made.

Please be aware that if the application is to be determined by the Council's Development Control committee and your letter has been received at a late stage after the Agenda has been published you will not receive a separate letter notifying you of the date of the meeting and procedures for public speaking. In such circumstances it is recommended that you track the progress of the application on the Council's website or telephone the Council for further information. Please be advised that any comments you make that are not included within the Committee Agenda will be reported to the Members of the Development Control committee. Please also be aware that only a small number of all planning applications received go the Development Control Committee. Most are determined under delegated powers by Officers in which case your comments will again be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish details of your comments on the internet on the Arun District Council Planning section. Please ensure that you only provide information that you are happy will be made available in this way. If you supply information belonging to a third party, please ensure you have their permission to do so. If you do not wish your comments to appear on the 'open file' please confirm this in writing and I will arrange for it to be destroyed although this means that its contents will then be disregarded.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application, any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours faithfully

Karl Roberts
Assistant Director Planning & Economic Regeneration
