Dear Sir,

A/82/12 Barratts Planning Application

I strongly object to the above amended planning application submitted by Barratts for the following reasons:

6 The roads in the area are extremely crowded especially on the access to the A259. To increase the volume of traffic is unacceptable.

7 The building on greenfield sites should not be considered while brown field sites are available.

8 This application must be considered as part of the local neighbourhood plans both at Parish and Arun level.

9 The schools in the area are already at maximum capacity, with some classes taking 37 in a class, which is well over the acceptable limit.

10 The doctor's surgery is overloaded, as sometimes it takes several weeks to get an appointment. Not to mention our local hospital and hospice, who again can barely cope with the numbers of people requiring medical attention.

11 Angmering is a village, and to keep building more houses will make it into a small town. Any houses should be built in small groups instead of groups of 100 plus.

The danger of flooding as experienced in January/February will only be increased with more buildings.

Yours faithfully

Robin Ruffer

Your views will be considered before the application is determined and I shall write to inform you of any decision made.

Please be aware that if the application is to be determined by the Council's Development Control committee and your letter has been received at a late stage after the Agenda has been published you will not receive a separate letter notifying you of the date of the meeting and procedures for public speaking. In such circumstances it is recommended that you track the progress of the application on the Council's website or telephone the Council for further information. Please be advised that any comments you make that are not included within the Committee Agenda will be reported to the Members of the Development Control committee. Please also be aware that only a small number of all planning applications received go the Development Control Committee. Most are determined under delegated powers by Officers in which case your comments will again be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish details of your comments on the internet on the Arun District Council Planning section. Please ensure that you only provide information that you are happy will be made available in this way. If you supply information belonging to a third party, please ensure you have their permission to do so. If you do not wish your comments to appear on the 'open file' please confirm this in writing and I will arrange for it to be destroyed although this means that its contents will then be disregarded.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application, any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours faithfully
