I wish to object to all the new houses being built in angmering and other area's in the Arun district.I live in Downsway this road has become a nightmare since Bramly Green was built, Cars parked all hours people even leave their cars when they go on holiday,the longest outside here was 2 weeks.The road is a Rat Run for a lot of the day,I appreciate that people need homes but very little thought seems to be done on the infrastructure of this area,presumably the 'planners' don't live here.This area was for our retirement it's now a nightmaqre I imagine that things will get much worse if all these estates go ahead.
