Subject: Barratts revised application A/82/12 Objection

Dear Sirs,
I feel the need to add my list of reasons of objection to those already voiced by so many against the revised Barratts application A/82/12 for another large scale housing site in Angmering village.

- Brownfield sites must take priority over this greenfield site, as per Arun policy.
- Local services are already at full stretch. ie school, surgeries, roads.
- Angmering has already been overburdened by previous large scale developments.

Sincerely, Mr and Mrs R. Dobson
