PLANNING APPLICATION A/82/12.

BARRIETS REVISED APPLICATION.
FOR 139 HOUSES IN ANGMERING.

I OBJECT TO THIS APPLICATION ON
THE GROUNDS AS STATED IN MY PREVIOUS
LETTERS.

- 1) OUR SCHOOLS ARE ALREADY OVER SUBSCRIBED
- 2) THE DOCTORS ARE UNABLE TO COPE WITH
THE PRESENT NUMBER OF APPOINTMENTS.
IT TAKES AT LEAST 2 WEEKS TO SEE OUR G.P.
- 3) ROAD CONGESTION. WATER LAKE IS LIKE
A MAJOR A ROAD WITH THE AMOUNT OF
TRAFFIC CUTTING THROUGH THE VILLAGE
TO AVOID THE A259. FURTHER DEVELOPMENT
WILL ONLY MAKE IT WORSE. THE MAJORITY
OF THIS TRAFFIC IS EXCEEDING THE SPEED
LIMIT. JUST A MATTER OF TIME BEFORE A
FATALITY.

Dear Sirs,

Re: A/82/12 BARRATTS

We wish to register our strongest objection to the above proposal to build at least 600 houses in Angmering.

The village already has a great deal of through traffic, with delays at peak times, and should this application be successful there would be large ^{added} tail-backs and much ^{inconvenience} to residents. Furthermore it is difficult to see why this is necessary. We trust you will reconsider.

Yours Faithfully
