As a Angmering resident I strongly object to the planning application by Barratts to build 139 houses east of Roundstone Lane.

The roads in this area are already clogged up with traffic. We are supposed to be a village but you are proposing to turn it into a town! Soon we will be known as greater Worthing!! Where will all this building end? We just do not have the amenities for all these proposed houses. Doctors,Schools, etc.

We already have flooding in this area. Building more houses will only make it worse. Stop right now. Enough is Enough!!! Go North!!!!
