Subject: objection to A/82/12 Barratts revised application for 139 houses.

sir

as my wife and i are members of THE ANGMERING SOCIETY we strongly oppose any application for any more houses to be built in and the ARUN district, when my wife and moved here 7 years ago it was a lovely quiet country village, houses seem to be built wherever a spare piece of land is vacant.
we live close to st.margarets school and it is bursting at the seems with children and no mention of any more schools being built in the area, we have much difficulty getting out of our close between 8.30am and 4.30pm .
the road through Angmering village is busy enough now heaven help us if more houses are built!
according to the letter from the angmering society application for a retirement complex at the junction of Dappers lane and water lane is ludicrous

yours sincerely peter and sheila rice.
