Subject: Barratts Planning Application A/82/12

Dear Sir

I object to the proposed Barratts Planning application A/82/12, as this will increase the number of kids that will go to my school and it's big enough as it is already.
With the extra people will be more cars and the roads can't cope with the current volume as it is.
Plus for those adults moving in to these new houses there will not be enough jobs for all locally and they will have to travel, which will increase the traffic.
