Subject: no more houses in Angmering A/82/12

Please, please do not build any more houses in Angmering

My parents moved me out of a big town, to come and enjoy village life, and I don't want to lose it - as I can go out and play football with my friends and I feel very safe. The cars are a problem though and my mum doesn't like me crossing at certain roads, as many cars zoom through the village and don't slow down - it can be scary.

My school - St Margarets - is a fun place to be with my friends and I know everyone in my year (I didn't at my old school as it was much bigger) - I prefer this school as I don't feel over whelmed and the teachers and pupils all made me feel really welcome when I joined 5 years ago.

Please do not build any more houses as I don't want to see Angmering turn into a bigger area, as it won't feel safe and I want to keep the green areas/fields, as I need somewhere to play sport and it's nice to look at (not lots of ugly new build houses)
