Subject: objection to planning (deadline 27th March) A/82/12

To whom it may concern,

A/82/12 plans for additional houses in Angmering

I fully agree that no further housing should happen on Angmering Land

Angmering is a VILLAGE and not a town.

The schools are already full, there are flooding issues already happening, and the traffic in and around Angmering is a NIGHTMARE.

I want to continue to live in Angmering, with its charm that comes with such a small community. DO NOT RUIN Angmering

Kind regards
