Dear Mr Cleveland,

Re: Current Planning Application **A/82/12 [138 units]**
 A/122/12 [195 units]
 A/135/12 [36 units]

Following our recent conversation, we wish to register our formal objection to EACH of the above proposals for the following reasons;

1. The numbers proposed are not sustainable both in terms of current and future infrastructure.
2. The number will extend the built envelope, and by enlargement, further destroy the "village".
3. The proposals far exceed the local requirement.

Many thanks.

Yours sincerely,
