To the collective Members of The Planning Committee.

You are meeting on the 8th.May with the power to destroy our village.

I therefore ask you to consider the following important questions and comments.You must surely be aware of the many many objections to the proposed developments in Angmering. How many of you have read and considered them.?

Have you considered that if you allow this application our village that we live in will slowly but surely be destroyed.

The Planning Committee should REFUSE ALL PLANNING Applications until all The Neighbour Development Plans have been submitted and approved.It is obvious that even the draft plans on the web site for Angmering do not support these planning applications.

The developers are getting their plans submitted before The Neighbour developments plans are ready as it so obvious that in future they are not likely to be approved.Why is Arun Planning Department allowing this to happen now. Make them wait until the Residents can have a say in what will happen to our village.Surely the N.D.P. is being done for this very purpose.

If you approve the above planning application there is nothing you can do to stop any future planning applications . So again I say have the courage and do the right thing and refuse this planning application together with A/82/12 and A/122/12 which you are meeting to decide at the same time.

Yours faithfully.

Public Speaking at Development Control Committee

The Committee welcomes public speaking on agenda items, but Committee Meetings often have agendas that run to 150 pages and take more than three hours to complete. It is important to ensure that decisions on applications are taken at a reasonable pace and it is therefore necessary to limit the number of people who can speak on any one item and how long they can speak for.

Who can speak?

Any person who has made a written submission in support of or in opposition to the proposal, including the applicant or agent, can speak at a Committee meeting but only if:-

- they have formally registered to speak before 5.00 p.m. on the day before the Committee (as outlined above); and
- there is a vacant slot for speaking

How many people can speak?

There are restrictions on how many people can speak on an individual item:

- Two people may speak in support (inclusive of the applicant/agent);
- Two people may speak in opposition; and
- A representative of the relevant Town or Parish Council is also permitted to speak.

Note: Only one person per household or official postal address may speak on a particular side of the debate. Arun District Council Members and Officers are the only others allowed to speak at Committee.

How long can I speak for?

The maximum time allowed for short-listed speakers and Town and Parish Councillors is three minutes, and this is rigorously enforced. A clock is placed in front of the speaker showing the three minute time limit.

When can't I speak?

The public are not allowed to speak on any item that is to be considered in private session or where an application has been considered at an earlier Committee and been deferred.

Can I display material, PowerPoint slides, hand-out notes, petitions, or photographs?

No. Your written submission forms part of the application file, and it is therefore a matter of public record, and is reported on by the Planning Officers. You are offered the opportunity to explain the submission you have made but not to add further material. Petitions will not

be accepted at Committee meetings.

What is the procedure at Committee?

A separate chair is provided at the Committee table that is used by those who have registered to speak. You will be called when it is your turn to speak and the Chairman of the Committee will then invite you to address the Members and will remind you that you have three minutes. There is a timer in front of you to help you judge the amount of time you have left.

Polite Reminder: The meeting is a public meeting and the Committee expect any public speaker to be polite. Racist remarks, direct criticism of individual Councillors, officers, applicants, their agents, allegations about the behaviour of neighbours will be disregarded by the Committee Members in considering the application. Any speaker behaving in such a way will also be asked to stop and will lose the opportunity to make any further comments.
