Dear Sir, I have lived in Angmering for 60 years, a lovely village. In that time I have seen development in Bewley Rd, Palmers Rd, Charity Field, Meadow Side Crescents, The Dell and Bramley Green. Enough is Enough. Before any more houses are built in Angmering we need a New School and a dual carriage way between The Roundabout near the station to the roundabout at Angmering bypass. My Message is leave our lovely village alone, we do not need any more houses, be it on the Pound Hill site, TVB nurseries or the Rugby Club

Yours Sincerely,
