Hi Stuart,

I must apologise for the delay in responding.

I have spoken with the relevant officers at Arun District Council and it has been resolved that:

Plan 3 is Arun District Council's preferred option as it shows what Barratt Homes would like to change it to following residents feedback. This allows for some normal grassed areas for kids to play on rather than the flower meadow, it moves the equipment away slightly from residents and allows it to be accessible through mown paths through the flower meadow and normal grassed area.

A Non Material Amendment (NMA) is not acceptable.

This matter will be dealt with under the original case file reference and I am happy for you to submit a plan for my information.

I look forward to receiving the requisite plan.

Kind regards,

Michael Eastham

Michael,

I haven't heard from you and I can't get through on the phone.

Could you please drop me an email. I am hoping this should be relatively straight forward.

Thanks
