Dear Sir/Madam

Barratts' Planning Application – A/82/12

I am writing to oppose against the above mentioned Planning Application which is proposed for the land east of Roundstone Lane.

I have lived in Angmering Village for 15 years and have been part of the major changes which have occurred during that time. I believe this development will further destroy the future of Angmering Village.

We already live with major traffic issues which in turn has ruined the highways around the village. Each day the area suffers from congested roads and additional noise and car fumes. With this in mind, how can the surrounding road network cope with more cars in the same area – it will be a nightmare!

I cannot see that such a large development of houses is required in our economic climate and a project of this extent is not necessary in this location.

I feel very strongly that this development is not suitable to this site; there are sufficient homes in the locality already, with no surrounding land or road infrastructure to warrant the build.

Yours faithfully

Sally Lower
