MR. P.A BELCHER.
37 MERRYFIELD CRES.
ANGMERING.
W. SUSSEX
BN16 4DA.

I OBJECT TO BARRATTS PLANNING APPLICATION A/82/12 ON THE FOLLOWING POINTS.

1) THE CURRENT INFRASTRUTURE FOR ANGMERING I.E WATER SUPPLY, SEWAGE AND DRAINAGE SYSTEM AND MEDICAL FACILITIES IS STRUGGLING TO COPE WITH THE EXISTING POPULATION. A FURTHER INCREASE WOULD ONLY MAKE THINGS WORSE.

2) THE TRAFFIC THROUGH THE VILLAGE BY COMMUTERS AND DISREGARD FOR SPEED LIMITS MAKES OUR ROADS VERY

DANGEROUS. A FURTHER INCREASE BY LARGE SCALE DEVELOPEMENT WOULD ONLY ADD THE DANGER.

3) THE SCHOOLS IN ANGMERING ARE ALREADY AT CAPACITY. WHEN THE 600 HOMES WERE BUILT AT BRAMLEY GREEN THE VILLAGE WAS PROMISED A SCHOOL TO ACCOMMODATE THE EXPECTED INFLUX OF CHILDREN. IT NEVER HAPPENED. WHERE WILL THE EXTRA INFLUX OF CHILDREN GET THEIR SCHOOLING?

4) IT TAKES AT LEAST TWO WEEKS TO GET TO SEE OUR G.P. WITH THE INCREASE IN POPULATION IT WILL TAKE EVEN LONGER. HOW LONG ARE WE EXPECTED TO WAIT TO SEE OUR G.P. WHEN WE ARE UNWELL?

5) IF THE HOUSING STOCK IS INCREASED BY THE NUMBERS THAT BARRATTS WANT

WE WILL LOSE OUR VILLAGE STATUS AND BECOME AN URBAN SPRAWL. THIS WILL IMPINGE ON OUR QUALITY OF LIFE.

THIS BUILDING PROGRAMME HAS BEEN FOISTED ON THE ANGMERING RESIDENTS, THE MAJORITY OF WHICH DO NOT WANT IT.

PLEASE NO ~~LARGE~~ SCALE BUILDING PROGRAMME.

Dear Sirs.

Planning Application A/82/12

I object to Barratt's Planning Application for houses East of Roundstone Lane because :-

1. Inadequate medical facilities - only one Surgery in Angmering Village - waiting time to see doctors already lengthy only one hospital to serve a very large area.
2. no suitable parking in Village
3. Roads around Village - leading to & from main roads - very narrow & already congestion on Littlehampton Rd & A259.
4. Schools in area already overcrowded. Busy roads make access dangerous.
5. Two large housing estates already built (The Dell & Bramley Green) are quite sufficient for a small Village. Will local people be able to afford to buy these expensive new houses?

Yours faithfully.

(of 5)

DEAR SIR,

I AM AN 80plus PENSIONER WHO HAS LIVED IN ANGMERING VILLAGE ALL MY LIFE. I HAVE SEEN MANY CHANGES, MOST NOT FOR THE BETTER. WE HAVE HAD SO MANY HOUSEING ESTATES HERE, OUR COUNTRYSIDE IS VANISHING. OUR ROADS CANT TAKE THE TRAFFIC NOW, SO MORE HOUSES AND CARS WOULD BE A DISASTER, DANGEROUS. WE HAVE MANY OLD HOUSES IN HIGH ST, MORE TRAFFIC RACING PAST THEM WILL CAUSE DAMAGE. OUR SCHOOLS ARE FULL, SO WHERE WILL THE CHILDREN GO. ARUNDEL ROAD IS A NIGHTMARE NOW.

WE DONT NEED MORE HOUSES.

I OBSECT TO THIS PLANNING APPLICATION

YOURS FAITHFULLY

13th September 2012

To:- Arun D.C. Planning Dept

Barratts' Planning Application No. A/82/12

I am writing to object to the above Planning Application because I feel it will harm the atmosphere of Angmering as a friendly happy village. With the addition of yet more houses I fear this will change and the increase in traffic will be frightening and dangerous, especially for the very young & the elderly. The High Street will be particularly affected by this increase in traffic

The character of the village will be spoilt if this application, plus any further applications are approved... Consequently, such applications should be rejected.

Yours faithfully,

Dear Sir / Madam

I object to Barratts planning application number A/89/12 not just because its a lovely village but for following reasons. 1st There are already a lot of new and unsold houses in the area.

2nd Our roods cannot cope with an influx of traffic, anybody trying to get on to the A259 practically anytime of day has to sit in a long line of traffic which will give us more emission from the cars polluting our gardens and hedgerows.

3rd I have to wait 3 weeks to see my doctor how long will I have to wait if we eventually get another 150 plus more houses, also the chemist cannot keep up with our prescriptions now and then after a queue.

4th Our 3 schools are full now and the congestion on the approach roods by all of these schools is diabolical.

5th There is no work in the area so more cars on the overcrowded roads, so who is going to be able to afford these houses.

6th. Covering our vast areas with concrete only adds up to flooding and our drainage system is not capable of taking more.

7th Not everybody can afford to run a car, our bus service is appalling, nothing after 6 pm comes through the village (Roses).

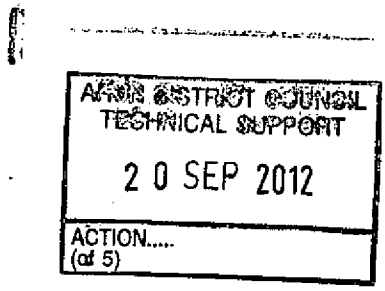

I defeel if permission is given to Boulatts other developers will follow very quickly with plans for the other expected sights!

Yours faithfully

Mr & Mrs McGeough

12/9/12

Dear Sir

We Object to Barratts Housing Planning Application Reference Number A/8212 because

1) Living on the North Side of the Village we are on the Road where Three Schools are and at the moment the Traffic is horrichous at 9 & 3pm with mothers Collecting children from the schools we are actully Prisoners in our homes unless you wont to Sit in Ques of traffic with more houses planned this would make it even worse whats more our one and only Bus Service runs down Arundel Rd makeing it harder than ever for people getting on & off buses

2/ Traffic thoough the village is another issue with most people not using the by Pass and going through

PTO

2/

Our lovely village most drivers ignore the 20 or even 30 miles they are supposed to do why was the by Pass built as it is hardly ever used?

3/ Getting a doctors appointment is hard enough now but adding ~~no~~ more people to their lists will make it harder than ever.

4/ Would it not make more sense to build on brownfield sites rather than what is left of our lovely Greenfield sites. We would much rather prefer Small Areas of New houses Scattered Throughout the Village rather than big housing developments as I am sure our lovely Village does not need or require this big development

5/ We are just a Village where will the people buying this houses (if they can afford Mortgages) work?

Yours ~~Sincerely~~ faithfully
