To: Planning Department
Arun District Council

Planning Application Ref No. A/82 12

I object to Barratts' Planning Application A/82/12 on the following grounds:

It is contrary to Arun policy to build on brownfield sites rather than Greenfield sites, and to avoid building outside the current built-up area.

There has been no demonstrated requirement for this or other similar housing developments in the area.

A development such as that which is proposed would put an unsustainable strain on what are already overstretched facilities and services in the village.

The road network within the village is entirely unsuited to the higher traffic volumes which would result from the development, and problems of congestion and safety would result.

Yours faithfully

John Adams
