Peter,

Please accept the attached drawings and add them to the current application for planning permission. I believe the attached have been sent to Tim Townsend but I will forward them again here so you both know what is going on. It will also save you sending again to TT.

Thanks.

Peter,

Further to our telephone conversation late yesterday please find attached an 'interim' submission which deals with most of the County's issues. Further work is being undertaken between CEP and Tim Townsend, so I am advised, and a complementary report will be submitted shortly.

I am copying Tim into this e-mail because Andy French has informed me that whilst Tim has had the opportunity to read the attached report Tim would prefer the said report to be submitted formally through you as the LPA. By copying the County, they will have the report at the same time as you.

Meanwhile should you require any further information, please call me.

Regards,

Graham Beck

Peter,

Please accept the attached for the planning file.

I believe a copy has been submitted directly to the County.

Thank you.
