31.1.13

Dear Sir

re. App. A/12.2/12
A/13.5/12
A/82/12

ARUN DISTRICT COUNCIL
01 FEB 2013
RECEIVED

The inadequate infrastructure is not any where near big enough to take any more large scale building projects.

Engineering already suffers enough with flooding because of poor inadequate drainage.

Increasing the already very heavy traffic and is already being used as a rat run through the village from the By pass.

All this can only compromise the quality of life for people
