Peter,

Thank you for consulting the SDNPA. I have taken the opportunity to consider the application and am familiar with the site.

With regards to the potential for a detrimental impact upon the setting of the landscape of the National Park I have consulted with the SDNPA Landscape Officer and they have no comments to make. With regards to affordable housing I would be grateful if you could ensure that the cascade within the s106 agreement provides an opportunity for those within the National Park to apply for residence in the proposed affordable housing.

Kind regards,

David Cranmer
