Dear Michael

Planning Application: A/132/17/OUT & A/82/18/DOC

Address: Quiet Waters, Roundstone Lane, Angmering

I have reviewed the proposed location of the fire hydrant as submitted in Plan Ang102 and accept this location as suitable for firefighting to serve WSFRS operations. This releases part one of the condition and when connected to a main suitable for firefighting WSFRS will attend to test the installation to release the condition in full.

If you have any further requirements at this stage please contact me

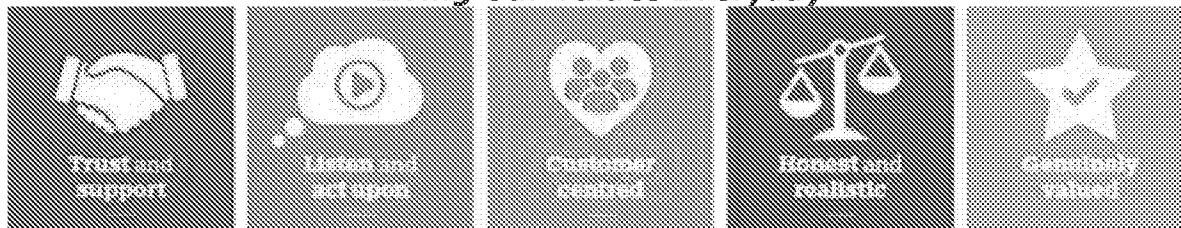

Regards

David
