Hi Kathryn

In case it's helpful, I have attached the photos of the samples to this email, annotating the sample within the red lines.

Hi Kathryn

To further clarify, all the photos were off the sample panel.

Hi Kathryn

The photos are of the sample, which has been built in front of the original. At certain angles it's difficult to see because the sample is so close to the original so it blends but if you have a look at the photos from the side/above you can see where the panel ends and it's size/shape.

Please let me know if you still want further photos. [REDACTED]

Best wishes

Dear Ms Thompson,

I am writing to you as the case officer of the above application you currently have running, for the discharge of condition. I see that you have supplied a set of photographs of the flint wall, however these all to be of the existing wall. Would it be possible for you to let me know which of the supplied photos is of the sample panel or to provide future photos of the panel itself?

I would be grateful if you would provide these as a matter of urgency as the application will be refused by the 16th without further confirmation.

Kind regards,

Kathryn Welch
