Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)

Town & Country Planning (General Permitted Development) Order 2015 Schedule 2 (As amended)

Application No: A/83/20/PD
Site Address: 1 Marsh House The Square Angmering BN16 4EA
Description of works: Prior notification under Schedule 2, Part 3 Class C for part change of use from retail home and garden shop (A1) to cafe(A3).

Thank you for your internet representation made on 15th July 2020 which has been recorded as support with the comments as follows:

OWPC28442

The application will support the continued development of an established & successful business. Although there is another cafe in the square Juna would offer something different. Whilst the other shops only offer refreshments, thus making them a destination for people to sit, the incorporation of a cafe into the shop will encourage browsers in the store to stop rather than being a refreshment destination. Furthermore the explosion in cafe culture means not to offer variety could be detrimental to other business in the local area. Customers want diversity. The growing amount of building work means an increase in trades people, who will increase footfall further. This addition to Juna would add rather than detract from other businesses, as well as potentially creating employment in the future. The other cafe provides a niche service, which whilst pleasant has not grown and the number of times myself & others have been turned away due to lack of space shows there is enough demand in Angmering to sustain all needs.

Your views as made above will be considered before the application is determined.
