Michael

When are you requesting an extension of time until. I want to be clear when I report back to my client. Can you confirm that the HE query is the only outstanding matter on this application -I can only assume so after such a long period for the application.

I look forward to your reply

Brian,

Richard Franklin from HE phoned me yesterday to ask for more time for the application to be determined as he was going to request additional information from the applicant. Richard did not specify what the additional information was but the applicant will be receiving a request from HE for additional information on Rustington Golf Centre planning application (A/84/17/PL).

Michael

I forwarded the response by Motion to HE queries to you and have not seen any response since. Could you advise if this is a new request and if so what do they require so I can get Motion to respond.

Can you advise what they require on the signs application

Hi Brian,

I have spoken with Richard Franklin at Highways England (HE) regarding the Rustington Golf Centre planning application (A/84/17/PL) and he informs me that HE are requesting further information from the applicant.

I look forward to receiving the additional information and a final response from HE before this application can be determined.

Kind regards,

Michael Eastham
