

To whom it may concern regarding the works to be carried out to a TPO Monterey Pine situated on Tall Trees Angmering Littlehampton BN16 4AW for the owners of 3 Nanson Lane Angmering.

The removal of the Pinecones will not alter or damage the health of the tree and as such appears to have no Arboricultural significance to the tree

If the cones are not removed and they fall and seriously injure the occupants of 3 Nanson lane then the trees owner may be liable for allowing this to happen.

By pruning the branches with removal of up to 2 metres of the branch length will comply with the recommendations set out in BS3998, and remove future works to be carried out at cost to clear the guttering of the garage within 3 Nanson lanes property
