Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)

Town & Country Planning (Development Management Procedure) (England) Order 2015: Article 39

Application No: A/84/26/CLE

Site Address: St Denys Nursery Units 4-8 Dappers Lane Angmering BN16 4EN

Description of works: Lawful development certificate for existing office, storage and repairs.

Thank you for your internet representation made on 5th August 2026 which has been recorded as an objection with the comments as follows:

OWPC85644

The Parish Council notes that this is a Certificate of Lawfulness application rather than a planning application and understands that Arun District Council must determine whether sufficient evidence exists to demonstrate continuous lawful use of the site for office, storage and repair purposes. However, the Parish Council remains concerned about apparent gaps in the documentary evidence, including missing lease information and changes in occupiers over time. The Council also notes significant concerns raised by local residents regarding the nature of activities currently taking place on the site and questions whether these activities are fully reflected within the use described in the application. The Parish Council therefore requests that Arun District Council carefully scrutinise the evidence submitted and satisfy itself that the claimed continuous lawful use has been demonstrated before determining the application.

Therefore, ADC objects to this application on the grounds of insufficient information regarding the:

- stated gaps in documentation
- actual site activity and
- environmental, health and safety concerns associated with the conducted business.

APC also requests that a sound survey is conducted to ascertain what level of noise is being experienced by surrounding residents.

Your views as made above will be considered before the application is determined.
