Following the Local Highway Authority's (LHA) initial response from the 4th July 2018, additional information has been submitted in relation to on-site parking and turning. Swept path diagrams have been provided which demonstrates parking for refuse collection vehicles via swept path diagrams. It would be worth ensuring that the turning head at the bottom of the estate road is marked out with a sign or hatching to discourage any visitor parking thus making the turning head restricted. On that basis the LHA is satisfied with the proposals.
