Residential Material Breakdown									
Plot number	House Type	Wall Materials	Roof Materials	Heads & Cills	Roof Pitch	Porch Canopy	Front doors	windows/ doors	GENERAL NOTES
1	A	Front - Mixed course flint blocks / Barton Light Multi Brick Features Side and Rear - Freshfield Lane First Quality Multi / Barton Light Multi Feature Brick	Sandtoft 20/20 Plain tile Natural Red	Barton Light Multi Brick	35°	Lean-to with Brackets	White Composite Door set IG D78 Door with Timber Frame	White UPVC (style see elevations)	black upvc rainwater goods and whites soffits, black fascias, clipped verge
2	A	Front - Mixed course flint blocks / Barton Light Multi Brick Features Side and Rear - Freshfield Lane First Quality Multi / Barton Light Multi Feature Brick	Sandtoft 20/20 Plain tile Natural Red	Barton Light Multi Brick	35°	Lean-to with Brackets	White Composite Door set IG D78 Door with Timber Frame	White UPVC (style see elevations)	black upvc rainwater goods and whites soffits, black fascias, clipped verge
3	A	Front - Mixed course flint blocks / Barton Light Multi Brick Features Side and Rear - Freshfield Lane First Quality Multi / Barton Light Multi Feature Brick	Sandtoft 20/20 Plain tile Natural Red	Barton Light Multi Brick	35°	Lean-to with Brackets	White Composite Door set IG D78 Door with Timber Frame	White UPVC (style see elevations)	black upvc rainwater goods and whites soffits, black fascias, clipped verge
4	A	Front - Mixed course flint blocks / Barton Light Multi Brick Features Side and Rear - Freshfield Lane First Quality Multi / Barton Light Multi Feature Brick	Sandtoft 20/20 Plain tile Natural Red	Barton Light Multi Brick	35°	Lean-to with Brackets	White Composite Door set IG D78 Door with Timber Frame	White UPVC (style see elevations)	black upvc rainwater goods and whites soffits, black fascias, clipped verge
5	A	Front - Mixed course flint blocks / Barton Light Multi Brick Features Side and Rear - Freshfield Lane First Quality Multi / Barton Light Multi Feature Brick	Sandtoft 20/20 Plain tile Natural Red	Barton Light Multi Brick	35°	Lean-to with Brackets	White Composite Door set IG D78 Door with Timber Frame	White UPVC (style see elevations)	black upvc rainwater goods and whites soffits, black fascias, clipped verge
6	A	Front - Mixed course flint blocks / Barton Light Multi Brick Features Side and Rear - Freshfield Lane First Quality Multi / Barton Light Multi Feature Brick	Sandtoft 20/20 Plain tile Natural Red	Barton Light Multi Brick	35°	Lean-to with Brackets	White Composite Door set IG D78 Door with Timber Frame	White UPVC (style see elevations)	black upvc rainwater goods and whites soffits, black fascias, clipped verge
7	B	Front - White painted brickwork Side and Rear - Freshfield Lane First Quality Multi / Barton Light Multi Feature Brick	Siga 56s Slate	Front - Painted black stooled concrete cill / white painted Flat brick arch and brick band Side and rear - Barton Light Multi flat brick arch & brick cills	35°	Lean-to with Brackets	White Composite Door set IG D78 Door with Timber Frame	White UPVC (style see elevations)	black upvc rainwater goods and whites soffits, black fascias
8	B	Front - White painted brickwork Side and Rear - Freshfield Lane First Quality Multi / Barton Light Multi Feature Brick	Siga 56s Slate	Front - Painted black stooled concrete cill / white painted Flat brick arch and brick band Side and rear - Barton Light Multi flat brick arch & brick cills	35°	Lean-to with Brackets	White Composite Door set IG D78 Door with Timber Frame	White UPVC (style see elevations)	black upvc rainwater goods and whites soffits, black fascias
9	B	Front - White painted brickwork Side and Rear - Freshfield Lane First Quality Multi / Barton Light Multi Feature Brick	Siga 56s Slate	Front - Painted black stooled concrete cill / white painted Flat brick arch and brick band Side and rear - Barton Light Multi flat brick arch & brick cills	35°	Lean-to with Brackets	White Composite Door set IG D78 Door with Timber Frame	White UPVC (style see elevations)	black upvc rainwater goods and whites soffits, black fascias
10	B	Front - White painted brickwork Side and Rear - Freshfield Lane First Quality Multi / Barton Light Multi Feature Brick	Siga 56s Slate	Front - Painted black stooled concrete cill / white painted Flat brick arch and brick band Side and rear - Barton Light Multi flat brick arch & brick cills	35°	Lean-to with Brackets	White Composite Door set IG D78 Door with Timber Frame	White UPVC (style see elevations)	black upvc rainwater goods and whites soffits, black fascias
11	E	Freshfield Lane First Quality Multi / Barton Light Multi Feature Brick	Siga 56s Slate	Front - stooled stone cill with Barton Light Multi brick flat arch Side and rear - Barton Light Multi brick solider course & brick cills	35°	Recess	White Composite Door set IG D78 Door with Timber Frame	White UPVC (style see elevations)	black upvc rainwater goods , black fascias and barge boards, white soffit

12	F	Gable - White painted brick Side and Rear - Freshfield Lane First Quality Multi brick	Sandtoft 20/20 Plain tile Natural Red	Front - Stooled stone cill, Barton Light Multi flat brick arch. Gables - Painted black concrete cill, white painted flat brick arch. Rear - Barton Light Multi flat brick arch & brick cills	50°	Lean-to with Brackets	White Composite Door set IG D78 Door with Timber Frame	White UPVC (style see elevations)	black upvc rainwater goods , black facias and barge boards, white soffit
13	G2	Gable - White painted brick Side and Rear - Freshfield Lane First Quality Multi brick	Sandtoft 20/20 Plain tile Natural Red	Gable - Painted black stooled concrete cill & white painted brick archs Side and rear - Barton Light Multi brick arch & brick cills	50°	Lean-to with Brackets	White Composite Door set IG D78 Door with Timber Frame	White UPVC (style see elevations)	black upvc rainwater goods , black facias and barge boards, white soffit
14	H	Freshfield Lane First Quality Multi brick & Cedral lap weatherboarding C50	Sandtoft 20/20 Plain tile Natural Red	Stooled stone cill and Barton Light Multi brick soldier course over window/doors to brickwork areas and lead flashing cills to weatherboarded areas.	40°	Lean-to with Brackets	White Composite Door set IG D78 Door with Timber Frame	White UPVC (style see elevations)	black upvc rainwater goods , black facias and barge boards, white soffit
15	H	Freshfield Lane First Quality Multi brick & Cedral lap weatherboarding C50	Sandtoft 20/20 Plain tile Natural Red	Stooled stone cill and Barton Light Multi brick soldier course over window/doors to brickwork areas and lead flashing cills to weatherboarded areas.	40°	Lean-to with Brackets	White Composite Door set IG D78 Door with Timber Frame	White UPVC (style see elevations)	black upvc rainwater goods , black facias and barge boards, white soffit
16	G1	Gable - White painted brick Side and Rear - Freshfield Lane First Quality Multi brick	Sandtoft 20/20 Plain tile Natural Red	Gable - Painted black stooled concrete cill & white painted brick arch Side and rear - Barton Light flat brick arch & brick cills	50°	Lean-to with Brackets	White Composite Door set IG D78 Door with Timber Frame	White UPVC (style see elevations)	black upvc rainwater goods , black facias and barge boards, white soffit
17	F	Gable - White painted brick Side and Rear - Freshfield Lane First Quality Multi brick	Sandtoft 20/20 Plain tile Natural Red	Gable - Painted black stooled concrete cill & white painted flat brick arch Side and rear - Barton Light flat brick arch & brick cills	50°	Lean-to with Brackets	White Composite Door set IG D78 Door with Timber Frame	White UPVC (style see elevations)	black upvc rainwater goods , black facias and barge boards, white soffit
18	C1	Front - Mixed course flint blocks / Barton Light Multi Brick Features Side and Rear - Freshfield Lane First Quality Multi / Barton Light Multi Feature Brick	Sandtoft 20/20 Plain tile Natural Red	Barton Light Multi Brick	35°	Recess	White Composite Door set IG D78 Door with Timber Frame	White UPVC (style see elevations)	black upvc rainwater goods and black eaves, white soffits
19	C1	Front - Mixed course flint blocks / Barton Light Multi Brick Features Side and Rear - Freshfield Lane First Quality Multi / Barton Light Multi Feature Brick	Sandtoft 20/20 Plain tile Natural Red	Barton Light Multi Brick	35°	Recess	White Composite Door set IG D78 Door with Timber Frame	White UPVC (style see elevations)	black upvc rainwater goods and black eaves, white soffits
20	C1	Front - Mixed course flint blocks / Barton Light Multi Brick Features Side and Rear - Freshfield Lane First Quality Multi / Barton Light Multi Feature Brick	Sandtoft 20/20 Plain tile Natural Red	Barton Light Multi Brick	35°	Recess	White Composite Door set IG D78 Door with Timber Frame	White UPVC (style see elevations)	black upvc rainwater goods and black eaves, white soffits
21	C1	Front - Mixed course flint blocks / Barton Light Multi Brick Features Side and Rear - Freshfield Lane First Quality Multi / Barton Light Multi Feature Brick	Sandtoft 20/20 Plain tile Natural Red	Barton Light Multi Brick	35°	Recess	White Composite Door set IG D78 Door with Timber Frame	White UPVC (style see elevations)	black upvc rainwater goods and black eaves, white soffits
22	C2	Front - White Painted Brick Side and Rear - Freshfield Lane First Quality Multi brick with Barton Light Multi Brick Feature	Siga 56s Slate	Front - Painted black stooled concrete cill & white painted brick band Side and rear -Barton Light Multi flat brick arch & brick cills	35°	Recess	White Composite Door set IG D78 Door with Timber Frame	White UPVC (style see elevations)	black upvc rainwater goods , black facias and barge boards, white soffit
23	C2	Front - White Painted Brick Side and Rear - Freshfield Lane First Quality Multi brick with Barton Light Multi Brick Feature	Siga 56s Slate	Front - Painted black stooled concrete cill & white painted brick band Side and rear -Barton Light Multi flat brick arch & brick cills	35°	Recess	White Composite Door set IG D78 Door with Timber Frame	White UPVC (style see elevations)	black upvc rainwater goods , black facias and barge boards, white soffit
24	D2	Front - White Painted Brick Side and Rear - Freshfield Lane First Quality Multi brick	Sandtoft 20/20 Plain tile Natural Red	Front - Painted black stooled concrete cill & white painted brick soldier course Side and rear - Fresh Field Lane First Quality Multi brick headers & brick cills	50°	Lean-to with Brackets	White Composite Door set IG D78 Door with Timber Frame	White UPVC (style see elevations)	black upvc rainwater goods , black facias and barge boards, white soffit
25	D2	Front - White Painted Brick Side and Rear - Freshfield Lane First Quality Multi brick	Sandtoft 20/20 Plain tile Natural Red	Front - Painted black stooled concrete cill & white painted brick soldier course Side and rear - Fresh Field Lane First Quality Multi brick headers & brick cills	50°	Lean-to with Brackets	White Composite Door set IG D78 Door with Timber Frame	White UPVC (style see elevations)	black upvc rainwater goods , black facias and barge boards, white soffit

26	D1	Freshfield Lane First Quality Multi / Barton Light Multi Feature Brick	Sandtoft 20/20 Plain tile Natural Red	Front - stooped stone cill with Barton Light Multi brick flat arch Side and rear - Barton Light Multi brick flat arch & brick cills	50°	Lean-to with Brackets	White Composite Door set IG D78 Door with Timber Frame	White UPVC (style see elevations)	black upvc rainwater goods , black facias and barge boards, white soffit
27	E	Freshfield Lane First Quality Multi / Barton Light Multi Feature Brick	Siga 56s Slate	Front - stooped stone cill with Barton Light Multi brick flat arch Side and rear - Barton Light Multi brick solider course & brick cills	35°	Recess	White Composite Door set IG D78 Door with Timber Frame	White UPVC (style see elevations)	black upvc rainwater goods , black facias and barge boards, white soffit
28	E	Freshfield Lane First Quality Multi / Barton Light Multi Feature Brick	Siga 56s Slate	Front - stooped stone cill with Barton Light Multi brick flat arch Side and rear - Barton Light Multi brick solider course & brick cills	35°	Recess	White Composite Door set IG D78 Door with Timber Frame	White UPVC (style see elevations)	black upvc rainwater goods , black facias and barge boards, white soffit
29	D1	Freshfield Lane First Quality Multi / Barton Light Multi Feature Brick	Sandtoft 20/20 Plain tile Natural Red	Front - stooped stone cill with Barton Light Multi brick flat arch Side and rear - Barton Light Multi brick flat arch & brick cills	50°	Lean-to with Brackets	White Composite Door set IG D78 Door with Timber Frame	White UPVC (style see elevations)	black upvc rainwater goods , black facias and barge boards, white soffit
30	D1	Freshfield Lane First Quality Multi / Barton Light Multi Feature Brick	Sandtoft 20/20 Plain tile Natural Red	Front - stooped stone cill with Barton Light Multi brick flat arch Side and rear - Barton Light Multi brick flat arch & brick cills	50°	Lean-to with Brackets	White Composite Door set IG D78 Door with Timber Frame	White UPVC (style see elevations)	black upvc rainwater goods , black facias and barge boards, white soffit
31	E	Freshfield Lane First Quality Multi / Barton Light Multi Feature Brick	Siga 56s Slate	Front - stooped stone cill with Barton Light Multi brick flat arch Side and rear - Barton Light Multi brick solider course & brick cills	35°	Recess	White Composite Door set IG D78 Door with Timber Frame	White UPVC (style see elevations)	black upvc rainwater goods , black facias and barge boards, white soffit
32	D1	Freshfield Lane First Quality Multi / Barton Light Multi Feature Brick	Sandtoft 20/20 Plain tile Natural Red	Front - stooped stone cill with Barton Light Multi brick flat arch Side and rear - Barton Light Multi brick flat arch & brick cills	50°	Lean-to with Brackets	White Composite Door set IG D78 Door with Timber Frame	White UPVC (style see elevations)	black upvc rainwater goods , black facias and barge boards, white soffit
