Subject: 22503 - Bartholomew's - Travel Plan

Good afternoon Andy

Thanks for you help with Manor Nursery, Angmering the Travel Plan Statement is now complete and with the Client for submittal.

I have another project which needs a Travel Plan to discharge the Planning Condition below:

Planning Reference : O/15/02343/FU (attached)

:16) No part of the development hereby permitted shall be first occupied until a Travel Plan has been submitted to and approved in writing by the Local Planning Authority in consultation with the Local Highway Authority. The Travel shall be completed in accordance with the latest guidance and good practice documentation, as published by the Department for Transport or as advised by the Local Highway Authority. The agreed Travel Plan shall be brought into use within 3 months of the use hereby permitted commencing.

Reason: To encourage and promote sustainable modes of transport. ~

The project is for the relocation of a crop research, technology and multiplication centre, encompassing approximately 2.83 hectares of varietal trial plots, DEFRA official seed testing station, laboratory, ancillary offices, pack house and parking and associated landscaping, incorporating 1,591 cubic metres balancing pond at Land To South Of A259 Bognor Road, Oving, Chichester, West Sussex, PO20 1NW.

We prepared a Travel Plan for the full planning submission (written by a colleague, attached) however we have received the above condition as part of the approval notice, as far as I am aware there are no specific comments on the document submitted.

I will be writing the full Travel Plan for the discharge of Condition 16 and was hoping to receive some comments on the previously submitted document to include in the updated version.

I will be basing the updated Travel Plan on the guidance you previously supplied however, I request some clarification on the approach to take as the development is relocating.

I will be preparing a draft over the next few days and I'm due on leave (getting married) from 14th August - 22nd August so aim to have something over more substantial for you to comment on before then however if you could just take a quick look at the attached submitted document that would be great.

I look forward to hearing from you.

Best wishes
