Notification regarding the above application:

Condition Number 12

Development shall not commence until a programme of archaeological work has been implemented in accordance with a written Archaeological Mitigation Strategy document to be submitted to and approved by the Local Planning Authority. The Mitigation Strategy shall include commitments to:

- carry out on site archaeological investigation in accordance with an agreed project design;
- preserve in situ and intact non-designated archaeological heritage assets that are demonstrably of equivalent significance to scheduled monuments (with reference to Historic Environment guidance in Paragraphs 132, 133 and 139 of the National Planning Policy Framework (March 2012));
- fully investigate, record, analyse and report, to a specification to be submitted to and approved by the Local Planning Authority, and to a standard proportionate to their significance, archaeological heritage assets that unavoidably will be affected adversely by development-related ground excavations;
- prepare and implement satisfactory procedures to communicate the findings of archaeological investigation to the local community.

Reason: To ensure the archaeological interests of the site are protected.

Decision:

Arun District Council have decided to **APPROVE details reserved by this condition**

The following information submitted regarding Condition 12 imposed on the outline planning permission A/51/14/OUT: relating to a written Archaeological Mitigation Strategy is approved and the condition is hereby discharged.
