Dear Mr McCourty,

I write in relation to the above application for listed building consent (A/88/17/L). I have prepared my recommendation report in relation to this application but I have become aware that you have not provided written confirmation that you wish the original drawings to be superseded by drawing number 15264/02R8. Therefore, I would be grateful if you would provide confirmation of this and I will arrange for a decision to be issued on the listed building application.

I am also aware that A/87/17/HH has been held whilst awaiting the outcome of the listed building application and as such I would be grateful if you would provide written confirmation of your agreement to an extension of time until the **8<sup>th</sup> September 2017**. I hope that both applications can be issued either today or tomorrow but please do not hesitate to contact me should you wish to discuss this matter further.

I apologise for the delay in the determination of these applications.

Yours Sincerely,  
David Easton
