Dear Mr McCourty,

Thank you for the revised drawings showing amendments to the extension. Given the improvements to the south elevation we are now in a position to support this design.

We will require a condition for the brickwork and to this end you might want to consider Flemish or English bond which will add some interest without being too complicated.

Kind regards,

Ian Wightman

Senior Historic Buildings Adviser
Conservation & Design
Chichester District Council

Importance: High

Dear Dr Wightman,

Please may I ask for your comments to be issued to both David Easton and Mark Jones for the revised proposed drawings to The Old Cottage, Station Road, Angmering as soon as possible.

We have been waiting for comments under this set of revised drawings for the last month now (after waiting an additional 2 months since the formal submission was validated), and we have also not received any request for an extension of time. This project has now been in for Pre-Application Advice and Planning Applications for over a year - in that time we have taken every opportunity to work with you to ensure a positive proposal is submitted and I must insist that we can now see this through to completion. I understand that you are at your desk again on Thursday; please may I request that you contact me in the office as a matter of urgency so that a decision for both the Householder and Listed Building Consents can be issued.

Please note that I will soon be on annual leave and will be out of the office from 5pm Friday 25th August, and will not return until 9am Thursday 7th September. If your query is urgent, please contact one of my colleagues or [REDACTED] as I will not have access to my emails in this time.

Kind regards,
Russell McCourty ACIAT
Associate Director
