Hi Anita

The Acoustic Engineer will be looking at this Monday as they are still partly furloughed. I'll get back to you when I know more.

Many thanks

Liz

Hi Liz,

Please see the environmental health officer's comments in relation to condition 7 below. Can you let me have a statement from the acoustic consultant?

How long do you think it will take to provide?

Regards

Anita

Dear Anita,

In relation to the above application in reference to condition 7 (noise), if the acoustic consultant is able to provide a statement to confirm that the acoustic measures in place are sufficient to protect the noise sensitive residential dwelling from unwanted noise, Environmental Health will consider the submission titled Noise Management Scheme, dated 12 June 2020 to be satisfactory.

Many thanks,

Kate.
