Dear Mr Jackson

With reference to your email below, I have referred to Mrs Coney who you have previously spoken to regarding the enforcement.

She has advised that a revised reserved matters application following A/3818/RES is required regarding the landscaping. The suggested description for the application is: 'Application for approval of reserved matters following A/51/14/OUT for a revised landscaping scheme (resubmission following A/38/18/RES)'.

The required fee for this application is £462.00, therefore an additional £346.00 is required.

Please feel free to call to discuss if you have any queries. I am out of the office from Wednesday 19th May until Tuesday 25th May, if you wish to discuss this during this time, please contact Mrs Coney on 01903 737524.

Kind Regards

Nicky Moore

Subject: LLD2021 - Request for further information A/88/21/DOC

Dear Ms Moore

Thank you for your email. I hope that you are well?

The application is a discharge of condition application for condition No. 01 which was discharged previously.

2 no. existing trees were accidentally removed from the southern site boundary during the tree clearance work. The submission updates the previous landscape scheme with additional tree planting to the southern site boundary for update to the approval of condition No.01 - landscape scheme. We are updating the landscape scheme submitted as a discharge of conditions.

We are not looking to vary or remove any planning conditions?

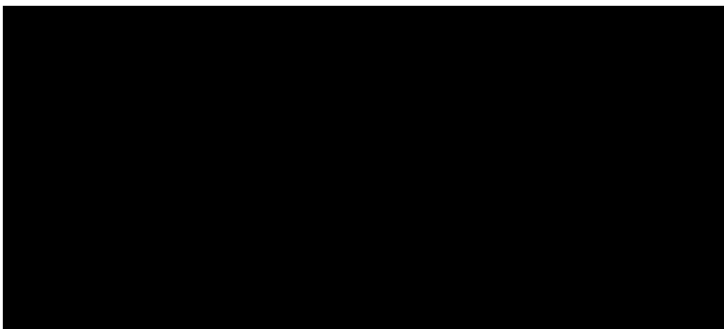

Please contact me should you require any further information.

Kind regards

Joe Jackson
