Dear ms Money,

Consultation from West Sussex County Council

Application under Regulation 3 of the Town and Country Planning General Regulations 1992 for installation of outside gym and associated works. This is a County Matter and will be determined by West Sussex County Council.

St Wilfrid's Catholic Primary School Arundel Road Angmering BN16 4JR

Thank you for your recent application as above. I am able to inform you that this Authority **has no objection subject to the condition(s) detailed below.**

It is noted that the application is for the installation of outside gym and associated works and that the details of layout and equipment are for illustrative purposes only.

The Council's Environmental Health Officer has stated they have no objections in principle to the proposal, however insufficient information has been provided to determine the potential impact of such proposal on the surrounding properties. Further information is required relating to the location, equipment proposed including drawings etc to be submitted to properly assess the impact of the proposal.

Accordingly it is suggested that the following condition is imposed

'Prior to installation of any equipment precise details of the layout and equipment shall be submitted and approved by the Local Planning Authority. The development shall proceed in accordance with the details so approved.

Reason: To protect the amenity of local residents in accordance with Policy QE SP1 of Arun Local Plan 2011 - 2031 '

If further comment is required please contact the Environmental Health Department on 01903 737500.

I trust this information is of assistance to you.

Yours sincerely
