For the purposes of this application WSCC in its capacity of Local Highway Authority (LHA) will comment on Condition 3 which relates to access and the sites proposed pedestrian link. The LHA have reviewed the latest plan 5894/101 Rev B which demonstrates the proposed footway and tactile paving link across Dappers Lane. The LHA are satisfied that the wording of the second part of condition can allow it to be discharged however we would remind the applicant that the proposals will require Technical Approval (TA) under the S278 Agreement.
