Nicola

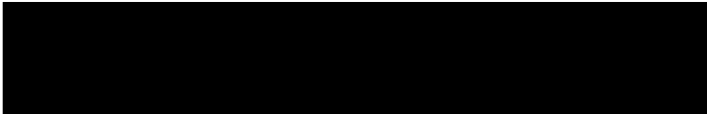

Further to our conversation this afternoon regarding the application to clear planning conditions 8, 16 & 23, I can confirm that I would like to remove the application for condition 23 and will submit this at a further date.

Kind regards

Further to the attached letter received yesterday regarding the following planning conditions at the above site:

- Condition 8 – SUDs

- Condition 16 – External Lighting
- Condition 23 – Verification Report

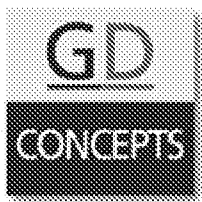

I submitted the info to clear planning conditions 8 & 16, I will not get the verification report to clear Condition 23 before the 25th May as noted in your letter.

Can you review the info for Conditions 8 & 16 in the meantime and comment/approve at your very earliest convenience.

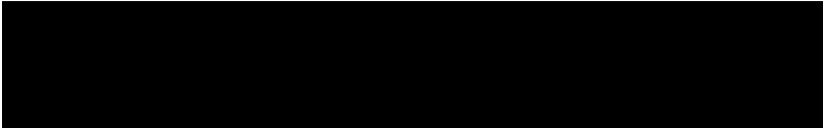

If need be I will follow up with a new application for Condition 23, can you remove Condition 23 from my application and concentrate on conditions 8 & 16?

Kind regards
