Dear Mr Pearce,

I write in relation to the above planning application for which I am the case officer. Unfortunately, I have been out of the office due to sickness since the start of June having only just returned to work.

During my absence my colleagues were unable to cover my work and as such the site visit was not carried. Having returned to the office I have carried out the site visit – however, due to the delay in the display of the site notice the no decision before date for the determination of this application is now the 20th July 2017. Therefore, I would be grateful if you could provide written confirmation of your agreement to an extension of time until the **28th July 2017**.

I apologise for the delay in the determination of this application and every endeavour will be made to ensure this application is determined as quickly as possible. Please do not hesitate to contact me should you wish to discuss this matter further.

Yours Sincerely,
David Easton
