Dear Mrs Grieves

In reply to your letter dd 3 Sept, please find attached plans of existing property as discussed by phone with Mrs Nicola Spencer, in your absence.

If you would be good enough to write the name of the road, ie Ham Manor Way, on the block plans, I would be grateful.

In the interest of clarity, on the elevation drawing, the rear elevation should really be called north west instead of west, the north is closer to north east and the south elevation is more south west. My apologies for this error. I hope my application is complete now, but please don't hesitate to phone me in case of any other queries.

Thank you, Carla Murphy.
