In conclusion, were an application to be submitted for the proposal, it is likely to be refused for at least two reasons. Firstly, for the reason that the pre-school building with parking would cause an intrusive and harmful impact on the surrounding countryside which is contrary to Local Plan policy GEN3 and the National Planning Policy Framework.

The second reason for refusal is that the pre-school forms an unsustainable use in a semi-rural location and as such is contrary to Local Plan policy GEN3 and the National Planning Policy Framework. The proposal may also be harmful to residential amenity, depending on further details being submitted, in potential conflict with Local Plan policy GEN7(iv) and the National Planning Policy Framework.
