26 August 2015

Dear Sir/Madam

I have been advised by a Councillor to write with reference to your internet comments on 20 August 2015 supporting planning application A/94/15/PL.

Unfortunately I was unaware of the meeting held 11 August and therefore did not attend.

The improvement in employment opportunities is minor in relation to possible road safety issues and the current owner of Brackenside does not reside in Angmering and may decide to employ staff from outside the village.

The development may give structure to the land usage to the eastern side of Dappers Lane but would not necessarily provide defence against further development for residential purposes as this structure provides a service for more residential use.

I have lived in Angmering most of my life and I am very disappointed that Angmering Parish Council have not raised the same concerns as some of the residents in Dappers Lane especially with regard to the unacceptable impact on the local highway network.

Mrs Janice Ayling
