Engineers Comments Regarding Surface Water Drainage

Due to the scale, location and type of application we have no conditions to request. Any alterations to surface water drainage must be designed and constructed in accordance with Building Regulations.

The applicant should be aware that there is a French Drain leading to a soakaway running north from the existing Portakabins as shown on the drawing below. This drain may need to be diverted and extended to implement the proposed scheme. Full details available under Planning reference A/93/17/DOC.

BEECH TREE NURSERY

MK/BEECH/01

Kind regards

Sarah Burrow
