Good afternoon Harry,

I refer to the current planning application for a single storey extension to be built at the rear of 20 Pine Trees Close in Angmering (ref. A/96/22/HH).

I have just checked the planning website and have noticed that the page is displaying the incorrect elevations. I believe both sets of elevations were submitted. If you check the proposed floor plans, these do not correspond with the elevations. I have attached the correct elevations and should be very grateful if you could display these and remove the other proposals.

If you should require any further information then please do not hesitate to contact me.

Kind Regards,

Carl Moore
