Dear Sian,

I hope your well. Could we up date the drawing in for approval with attached A-124-01-REV-B there has been a small amendment to the drawing. A small dormer is now required to the rear to allow for head hight for the stairs.

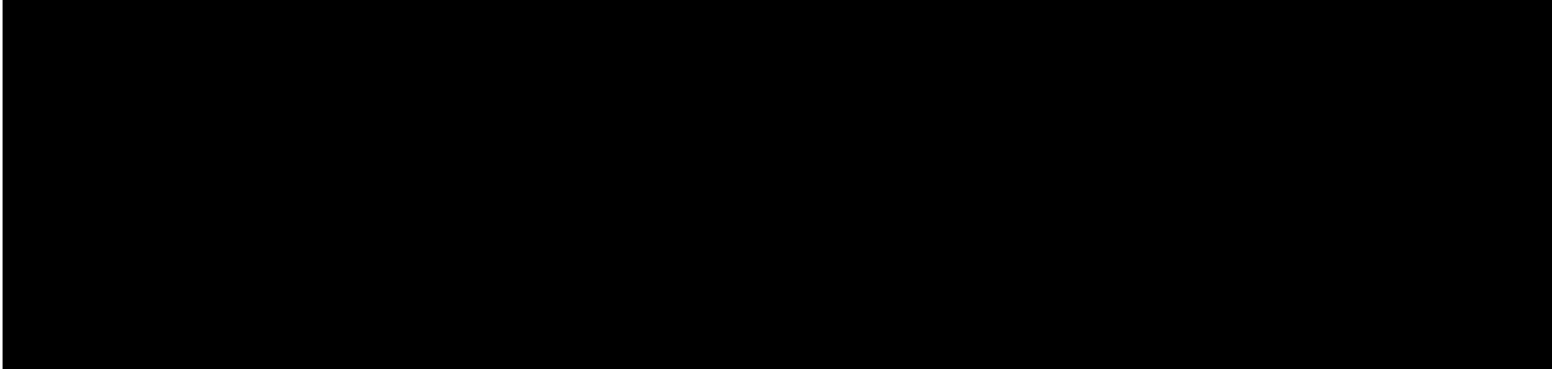

Kind Regards

Dear Mr Gapper

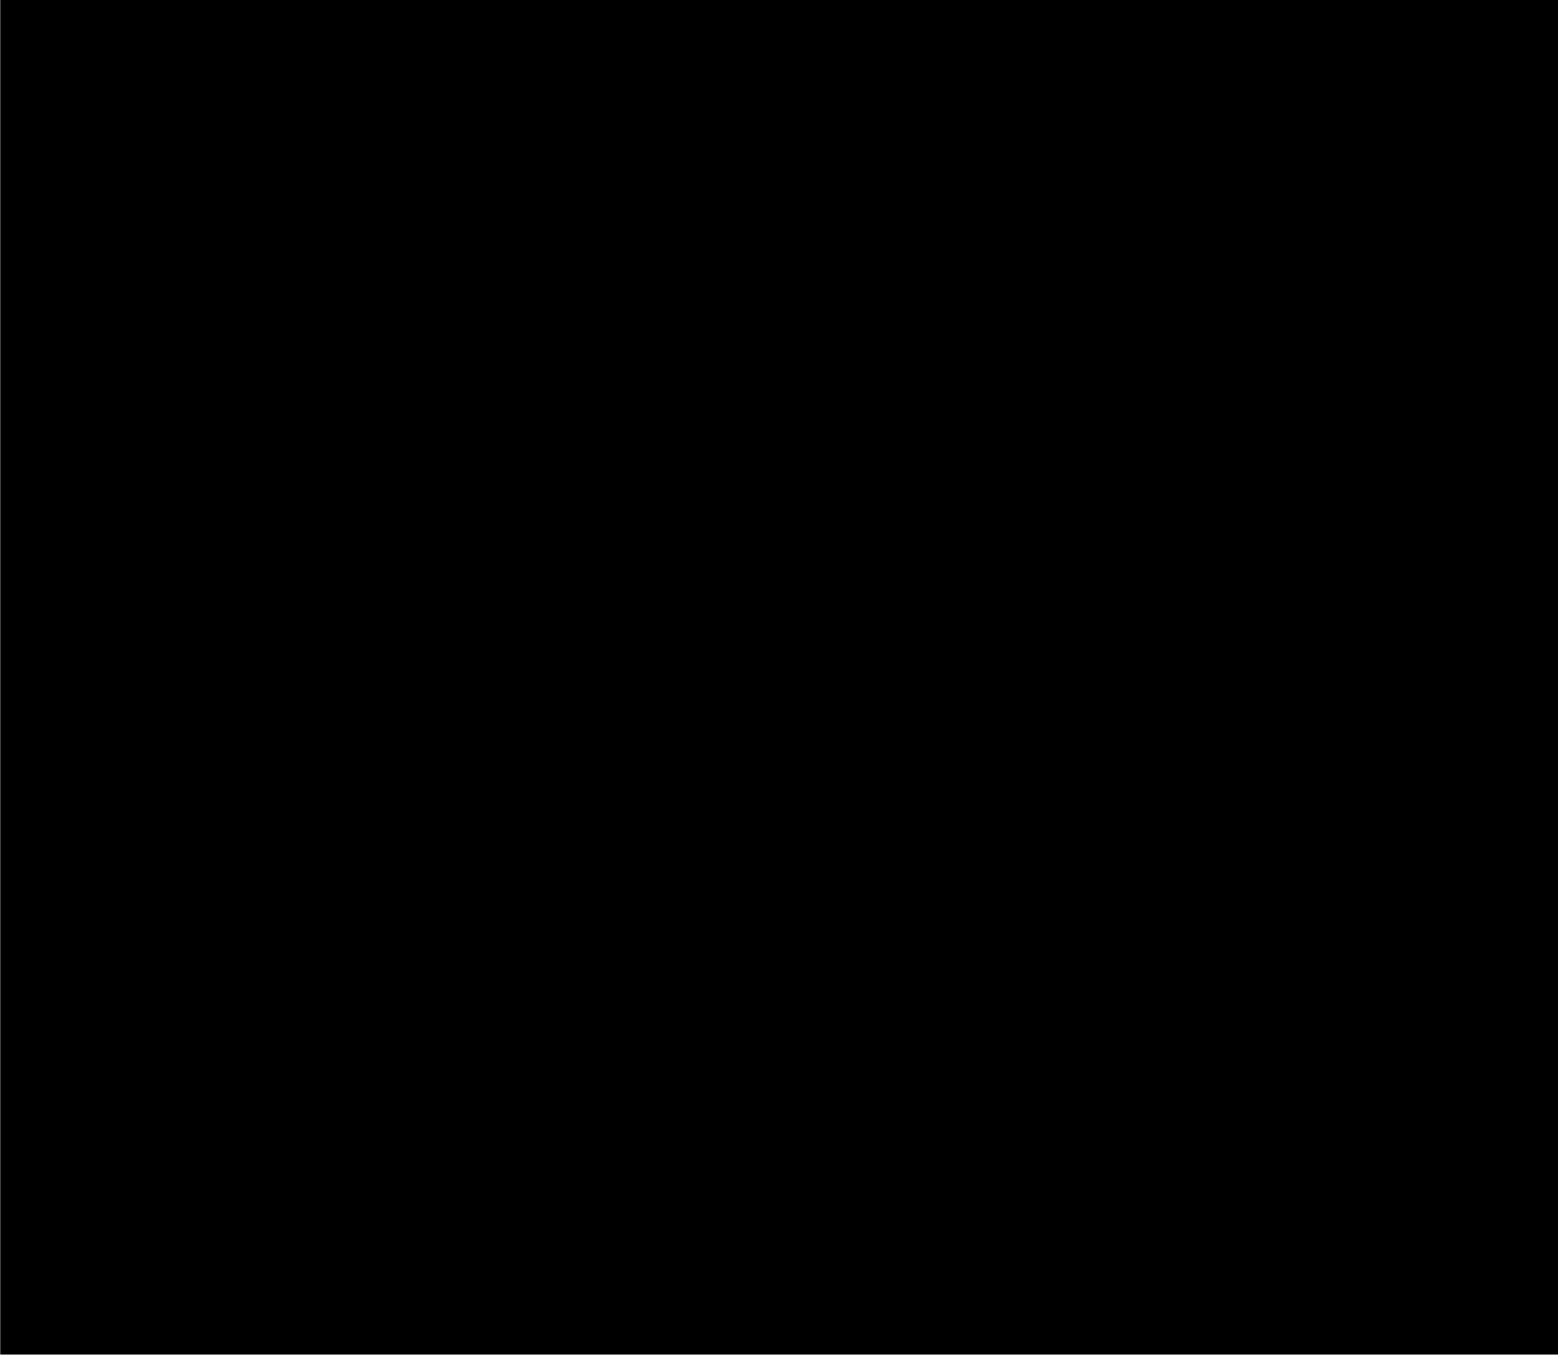

The plans show a proposed larger dormer with a widening of the dormer window. This needs to be shown on a proposed loft floor plan. Please amend.

Kind regards

Sian
