Subject: Objection:A/99/17/OUT Land South of Water Lane

Dear Sirs

I wish to express my vehement opposition to this application, which threatens to destroy what little remains of Angmering as a community.

The village Neighbourhood Plan quite explicitly rejects this site as suitable for development: it is currently rural and beyond the built up area, and any building here would adversely affect the village's relationship with the South Downs National Park.

This appears to be a wholly cynical move by a developer to take advantage of Arun's vulnerable position while the Arun Local Plan is not yet in place.

It is a totally unsuitable site, as has always been widely acknowledged and I object most strongly to the way Angmering is being treated once again as a soft target for profit-driven developers.

Enough is enough!

Yours sincerely
