Subject: OBJECTION : A/99/17/OUT Land South of Water Lane

Dear Sirs

I feel I must object in the strongest possible terms to this application, which appears to be a blatant attempt to take advantage of ADC's weakness when its Local Plan is not yet in place.

Both Angmering's Neighbourhood Plan and the version of Arun's Local Plan submitted for examination rejected this site for development due to the damage it would inflict on the village's rural surroundings and the views into and from the National Park: so it would be perverse indeed to grant any sort of outline permission at this stage.

Angmering has shouldered more than its fair share of new housing already: doctors' appointments take weeks to achieve, our schools are near capacity and traffic in the village and around is appalling, particularly in the Water Lane area and at the junction of Station Road and the A259. There is no local demand for yet more houses here, and certainly no jobs.

I urge you to recognise this application for the cynical manoeuvre that it is and throw it out.

Yours sincerely

Margaret Goulding
