Subject: Objection: A/99/17/OUT Land South of Water Lane

I wish to object to the planning application A/99/17/OUT.

This speculative and opportunist application is NOT in the Angmering Neighbourhood Plan and outside the built up area boundary.

The infrastructure in Angmering is insufficient for any more large scale housing developments. The roads in and around the village have become a nightmare, the schools are almost at capacity and the health centre is under considerable strain coping with the current population.

This land has already been rejected as unsuitable for housing development and is a known source of surface water flooding. The Development Control Committee must reject this application and listen to the concerns of the villagers for once. Democracy!!
