27th June 2017

Dear Sir/Madam

Town & Country Planning Act 1990 (as amended)

Town & country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Outline application with some matters reserved (Access only) for development up to 175No. residential dwellings, public open space, play areas with associated infrastructure including roads, drainage & landscaping. This application affects the character & appearance of Angmering Conservation Area & the setting of Listed Buildings. This application is a Departure from the Development Plan
Land South of Water Lane Angmering

Thank you for your internet representation made on 26th June 2017 which has been recorded as '**an objection**' with the comments as follows:

I object to this application. This site is an area of special character and outside the built up area. Building on this site will cause significant run off water into the Black Ditch. I live in one of the lowest parts of Angmering (within the indicative flood plain) in close proximity of the Black Ditch. It is not unusual for the ditch to break its banks and flood the golf course. This development will put my home and surrounding area at risk of flooding. The schools in Angmering are at saturation point and the roads through the village are congested and often come to a standstill during school term time. This site was rejected in the Angmering Neighbourhood Plan 2015. The Angmering Parish Council have proposed more suitable sites for development. I recognise that there is a housing shortage, this is reflected in the Parish Council's proposals (plan). I trust that the Planners will reject this site and work with the Parish Council to promote sustainable development.

Your views will be considered before the application is determined and I shall write to inform you of any decision made.

Please be aware that if the application is to be determined by the Council's Development Control committee and your letter has been received at a late stage after the Agenda has been published you will not receive a separate letter notifying you of the date of the meeting and procedures for public speaking. In such circumstances it is recommended that you track the progress of the application on the Council's website or telephone the Council for further information. Please be advised that any comments you make that are not included within the Committee Agenda will be reported to the Members of the Development Control committee. Please also be aware that only a small number of all planning applications received go the Development Control Committee. Most are determined under delegated powers by Officers in which case your comments will again be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish details of your comments on the internet on the Arun District Council Planning section. Please ensure that you only provide information that you are happy will be made available in this way. If you supply information belonging to a third party, please ensure you have their permission to do so. If you do not wish your comments to appear on the 'open file' please confirm this in writing and I will arrange for it to be destroyed although this means that its contents will then be disregarded.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application, any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours faithfully

Neil Crowther
Group Head of Planning
