Dear Sir/Madam

Town & Country Planning Act 1990 (as amended)

Town & country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Outline application with some matters reserved (Access only) for development up to 175No. residential dwellings, public open space, play areas with associated infrastructure including roads, drainage & landscaping. This application affects the character & appearance of Angmering Conservation Area & the setting of Listed Buildings. This application is a Departure from the Development Plan
Land South of Water Lane Angmering

Thank you for your internet representation made on 26th June 2017 which has been recorded as **'an objection'** with the comments as follows:

I'm writing to OBJECT to this application. As has been made clear to the council, the location is unsuitable from several perspectives, not least flooding which will affect a number of homes on Water Lane leading into the village. Second, the land has been deemed not suitable by the Neighbourhood Plan, which the Council is trying to bypass. However, I would also like to bring it to the Council's attention that the applicant, Rydon Homes, was responsible for the terrible Grenfell Tower fire. As such, they are not a company which should be allowed to impose themselves elsewhere. They have shown that their main motivation is pure greed even at the cost of the lives of others, and this is another of their speculative applications with no regards or ties to the local community. Angmering has been subject to three major housing developments in a very short time and a fourth is going to cause even more damage to the community. Already the schools are oversubscribed, the surgery overbooked and the roads congested. If Arun Council feels the area needs more homes they need to provide the infrastructure first, not after the fact. Once the houses have gone up, whatever shell company Rydon Homes will use is going to be wound up and therefore they can abandon their obligations to the community. Furthermore, seeing as Rydon Homes is likely to face lengthy investigation and possible criminal charges to its management, is this the sort of company Arun Council wants to deal with? We simply do not need their blood-soaked greedy hands destroying another community.

*Best regards,
Niklas Grundstrom*

Please be advised that any comments you make that are not included within the Committee Agenda will be reported to the Members of the Development Control committee. Please also be aware that only a

small number of all planning applications received go the Development Control Committee. Most are determined under delegated powers by Officers in which case your comments will again be considered before the application is determined.
